"...a phenomenal job..."

Julie Jackson did an AMAZING job assisting us in buying our first home. She made the entire process seem super easy. She was excellent, explaining each detail along the way. She provided feedback and insight on what she believed was a good direction to follow when we were faced with tough decisions and always kept great contact with us. We highly recommend her because she did a phenomenal job.

"...dedication and commitment..."

It's been a pleasure working with Julie in buying my first home. She showed me numerous homes throughout Antioch that were of interest to me. She communicates well and explained every detail to ensure I was comfortable about the process. Julie is a hard worker and I wouldn't have wanted to walk through this process with anyone but her. Thank you Julie for your dedication and commitment in helping me and my girls find a new home!

"...kind, diligent and flexible..."

In my first time home buying experience, I used Rick Fuller Inc. real estate agent Julie Jackson. She was AWESOME!! Julie was very kind, diligent and flexible. Even though she was more familiar with the east county housing market, she was willing to look wherever we wanted. If we had questions she would just be a phone call away (she always answered). I always loved how Julie never pushed us to do or see anything we did not want to. She really wanted us to be happy and to not settle for anything we did not love. Thank you sooooo much Rick Fuller Inc. and Julie for helping us find our dream home.
