# CHRISTINE DAVIS

My 20 year career in banking and finance has been a great adventure and my passion is lending! I love helping people purchase homes! Whether you are a first time or experienced home buyer I will work tirelessly to make sure your experience is as seamless as possible. As your lender I will partner with your real estate agent and as a team we will take the stress out of the loan process for you and close your loan on time.

Having worked largely in Solano, Napa and now Contra Costa County, I am very familiar with local real estate and mortgage lending practices. You need a loan advisor who

understands the nuances of Conventional, FHA, VA and USDA, fixed and adjustable loans so you can make an educated decision on the product that fits your situation. Many of my clients have also benefited from down payment assistance programs which are a great vehicle to help get you into your new home if you qualify. Call me and find out how they work.

We at Supreme Lending have the loan products and skills to make your home financing a great experience. I really care about the journey you will have and I cherish the long term relationships that come through this process. Let's work together!

## ***"...wonderful, pleasant, polite..."***

*In searching for my first home, I came upon Christine Davis accidentally. I took Julie Jackson's and Christine Davis's contact information for later use. When I finally found a possible home to purchase, my original lender balked at the closing date, doubting they could meet the date the seller had specified. Christine jumped on board and immediately started the ball rolling. She was very prompt in getting all the required info needed to push my loan through in less than a week's time. I am now settled in my new home thanks to Christine & Julie for their professional expertise in helping me through the biggest purchase I've ever made. I highly recommend Christine's services as a lender should you need a knowledgeable lender on your team as you search for your dream home. Thanks a ton Christine!!!!*

## ***"...positive, direct, kind and quick..."***

*We were hesitant and unsure if we could even qualify for a home. We had talked to a couple of other lenders but when Rick Fuller, Inc. put us in contact with Christine, she was positive, direct, kind and quick. She assured us—when she gives us a preapproval she stands behind it. Well, she did and 7 months later we got our house!! We cannot thank Christine enough for all her hard work and commitment to us. We felt like we were her only clients. That's how important she made us feel! Thank you from the bottom of our hearts!*
