## ***“...extremely organized...always available...”***

*My husband and I recently sold our house in Antioch, and we could not have picked a better company to help us! Rick Fuller Inc., specifically Wendy Shearer, was fantastic. We interviewed a few Realtors® before selecting Wendy, and we knew from the start that we made the right decision! She was very knowledgeable and helped us sell our house quickly. Wendy's expertise really came through when we started reviewing the offers on our house. She is extremely organized, and outlined/summarized the offers so we would be able to decide on the best one. Wendy kept us well informed once we got into contract on our Antioch house, and everything went through smoothly! She was always available, too, to answer questions. We closed in 30 days, and there were no surprises along the way.*

## ***“...straightforward answers and advice...”***

*When my wife and I decided on selling our house we looked for a Realtor® close by and did a little research for one in Antioch. We called Rick's office from a sign on a house for sale just a few doors down from us. When we met Wendy we were both very impressed by how she listened to our concerns and gave very straightforward answers and advice. Wendy went right to work and was on top of everything from beginning to end. Anytime I had a question she would always get right back to me with an answer. She had professional brochures for us and the open houses were packed. We ended up with 16 offers. We took her advice on the best and strongest offer and sold it!*
